E.H. Price Winnipeg and Thunder Bay

Appointed to represent Baltimore Aircoil Company (BAC) in Manitoba and Northwestern Ontario

For 65 years, HVAC contractors have come to expect quality product and great service from E.H. Price.

The addition of Baltimore Aircoil Company (BAC) to the E.H. Price Mechanical product offering in Manitoba and Northwestern Ontario further demonstrates our commitment to our customers. BAC's products serve a wide variety of applications, including Refrigeration, Light / Industrial Manufacturing, Chemical and

Petroleum Processing, Primary Metals Producers, District Cooling Plants and Electrical Power Generating Plants.

With the addition of the BAC products to our already diverse and first class offering, there is no project too large or specialized that we cannot handle.
